**Exhibition: Discover Waldorf - diversity, inspiration, future**

Monday, 17 March 2025 - 21 March 2025

Open from 10:00 to 17:00 (Monday to Thursday), 10:00 - 12:00 (Friday)

On the occasion of its 40th anniversary, the Waldorf School Luxembourg is presenting an exhibition at the Abbaye de Neumünster cultural centre from 17 to 21 March 2025. It will highlight the richness and philosophy of Waldorf education through texts, videos, images and student work. Significant projects, artistic objects and learning experiences are presented in a lively way. Here you will find the opportunity to familiarise yourself with a unique educational approach where the joy of learning is at the heart of the school curriculum.

An exchange area makes it possible to talk to teachers and pupils about their experiences.
